

## What are PBS Success Bundles?

PBS Success Bundles are personalized consulting packages designed to accelerate your progression from process development to commercial GMP scale up.

Embed PBS Biotech's scientific know-how and GMP compliance expertise into your process from the start

Guided support helps your team adopt the Vertical-Wheel® platform efficiently while keeping future scale-up in focus

Build confidence in transitioning to 3D cell culture, interpreting experimental data, and planning scale-up

Re-invest credits earned from PBS-Mini purchases\* and reduce out-of-pocket costs of Success Bundles

\*from PBS Biotech and participating distributors between 1/1/23-12/31/26

## Success Bundle Levels:

### Basic

(Remote Only)

- Includes 6 remote, 2-hr meetings
- Covers data analysis, optimization guidance, custom reports
- Escalate complex issues to the PBS Bioprocess Research Team

### Enhanced

(Remote + 1 Visit)

- **Basic** + 3-day site visit\* with a PBS scientist. Example activities include setup, inoculation, prepping media exchange, sampling, and recipe setup

### Premium

(Remote + 2 Visits)

- **Enhanced** + one additional site visit\* mid-way through the plan. Example activities include in-depth troubleshooting and process optimization

\* Visit duration may be shortened by customer request. Travel surcharge applies outside of US/CA.

## Credit Redemption: PBS Success Bundle

| Success Bundle                 | List Price | Max Credit Redemption | Potential Cost | Example Case                                                                                                                                        |
|--------------------------------|------------|-----------------------|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Basic</b>                   | \$7,250    | \$4,750               | <b>\$2,500</b> | You purchased one Mini Base and one pack of vessels, earning \$5,240 credit. Apply \$4,750 in credit and <b>pay \$2,500 (66% reduction)</b>         |
